

I THINK THAT THE LAWS SHOULD BE LEFT ALONE. I DO NOT WANT  
TELEMARKETERS CALLING MY HOME BEING THAT I DO NOT MAKE TELEPHONE  
PURCHASES OF ANY KIND. THE SALES PEOPLE ARE TOO PUSHY AND SEEM TO  
BE IN A RUSH TO GET THE CUSTOMER TO AGREE TO A SALE. IF THE  
CUSTOMER REFUSES THE SALE, THE SALES REP PUSHES MORE (VERY  
AGGRAVATING). THE CUSTOMER CAN NOT EXAMINE THE MERCHANDISE OVER THE  
PHONE. THEN TOO, LOOK AT THE FRAUD THAT HAS BEEN, AND IS BEING  
COMMITTED IN THIS FASHION. THE PUBLIC HAS LITTLE TRUST IN THESE  
COMPANIES. THE LAWS SHOULD STAY AS THEY ARE TO INSURE THE PRIVACY OF  
THE PUBLIC AND HELP TO PREVENT FUTURE INDUCEMENT OF FRAUDULENT  
ACTIVITY ON THE BEHALF OF THE CALLING COMPANY
